OSCAR DUPONT

SELECTMAN - TOWN OF GORHAM

MARCH 1972 - JUNE 1986

This report is dedicated in the memory of Oscar Dupont. Oscar gave unselfishly of his time and energy to make his community a better place in which to live, work, and play. His contributions should not, and will not, soon be forgotten, by those whose lives he touched.

"Life ends, but memory lives".

1986 TOWN REPORT

This report has been compiled through the efforts of your local public officials to serve as a permanent record of the events and transactions which have taken place over this past year. Great pains have been taken to fully and completely disclose all pertinent information relating to town operations.

After reading this report if you have any questions please don't hesitate to contact the town office or your elected officials for further explanation and information.

We want to take this opportunity to thank the following people: Lala Dinsmore, Lewiston Sun; Alison Findson, Berlin Reporter; Gerald Marcou, Gorham Police Department and Paul Doherty for their contributions of the photos which appear throughout this report. Many hours went into the typing, proof-reading, collation, and assembly of the report. Joyce Snitko and Marjorie Jodrie are to be commended for their contribution of the lion's share of this project.

We trust that you will find this report interesting and informative.

1987 TOWN WARRANT.

TOWN OF GORHAM STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Gorham, in the County of Coos, in said State, qualified to vote in Town affairs.

You are hereby notified that the Annual Town Meeting and elections will be held on Tuesday, March 10th, 1987, at nine o'clock in the forenoon to act upon the following articles by written ballots (Article 1). Those residents living on Al's Restaurant property northward will vote at the Cascade Fire Station in said Gorham. Those residents living on Mountain Valley Plaza property and southward will vote at the Gorham Town Hall in said Town.

Polls will be open from 9:00 A.M. to 6:00 P.M. for balloting. The business meeting will be held at 7:30 P.M. to act upon the remaining articles at the Gorham Municipal Building.

Article 1. To elect one Selectman for a term of three years, one Town Clerk for a term of three years, one Water and Sewer Commissioner for a term of three years, one Library Trustee for a term of two years, one Library Trustee for a term of three years, one Supervisor of the Checklist for a term of one year, three Budget Committee members for a term of two years, three Budget Committee members for a term of three years, one Trustee of Trust Funds for a term of one year, and one Trustee of Trust Funds for a term of three years.

Article 2. To see what sum the Town will vote to raise and appropriate for General Government.

Recommended by Selectmen: \$177,525 By Budget Committee: \$177,525

Article 3. To see what sum the Town will vote to raise and appropriate for Public Safety.

Recommended by Selectmen: \$331,300 By Budget Committee: \$331,300

Article 4. To see what sum the Town will vote to raise and appropriate for Highways, Streets, and Bridges.

Recommended by Selectmen: \$344,750 By Budget Committee: \$344,750

Article 5. To see what sum the Town will vote to raise and appropriate for Sanitation.

Recommended by Selectmen: \$125,000 By Budget Committee: \$125,000

Article 6. To see what sum the Town will vote to raise and appropriate for Health Purposes.

Recommended by Selectmen: \$84,050 By Budget Committee: \$84,050

Article 7. To see what sum the Town will vote to raise and appropriate for Welfare.

Recommended by Selectmen: \$18,700 By Budget Committee: \$18,700

Article 8. To see what sum the Town will vote to raise and appropriate for the Public Library.

Recommended by Library Trustees: \$37,135
Recommended by Budget Committee: \$37,135

Article 9. To see what sum the Town will vote to raise and appropriate for Recreation, Parks, and Skating Rinks.

Recommended by Selectmen: \$64,950 By Budget Committee: \$64,950

Article 10. To see what sum the Town will vote to raise and appropriate for Patriotic Purposes.

Recommended by Selectmen: \$5,000 By Budget Committee: \$5,000

Article 11. To see what sum the Town will vote to raise and appropriate for Debt Service.

Recommended by Selectmen: \$347,700 By Budget Committee: \$347,700

Article 12. To see what sum the Town will vote to raise and appropriate for the Water Department.

Recommended by Water and Sewer Commission: \$187,673
Recommended by Budget Committee: \$187,673

Article 13. To see what sum the Town will vote to raise and appropriate for the Sewer Department.

Recommended by Water and Sewer Commission: \$195,336
Recommended by Budget Committee: \$195,336

Article 14. To see what sum the Town will vote to raise and appropriate for Insurance, Retirement, and Other Contributions.

Recommended by Selectmen: \$246,850 By Budget Committee: \$246,850

Article 15. To see what sum the Town will vote to raise and appropriate for Improvements to the Libby Pool Facility.

Recommended by Selectmen: \$5,000 By Budget Committee: \$5,000

Article 16. To see what sum the Town will vote to raise and appropriate for the purchase of a new Police Cruiser. and to authorize the withdrawal of Ten Thousand, Five Hundred Dollars (\$10,500) from the Federal Revenue Sharing Fund as a partial offset against this appropriation.

Recommended by Selectmen: \$13,000 By Budget Committee: \$13,000

Article 17. To see what sum the Town will vote to raise and appropriate for the purchase of Office and Computer Equipment.

Recommended by Selectmen: \$5,000 By Budget Committee: \$5,000

Article 18. To see if the Town will vote to raise and appropriate the sum of Fifty-Five Thousand Dollars (\$55,000) for the purchase of a Fire Truck and to authorize the withdrawal of \$40,000 from the Fire Truck Capital Reserve Fund as an offset against this appropriation, and to appoint the Selectmen as agents to administer this fund. (Recommended by Selectmen and Budget Committee).

Article 19. To see if the Town will vote to raise and appropriate the amount of Five Thousand Dollars (\$5,000) for the Dredging Account. (Article approved by Budget Committee).

Article 20. To see if the Town will vote to raise and appropriate the amount of Twenty One Thousand Dollars (\$21,0000) for the purchase of a new Utility Truck to be used jointly by the Highway Department and the Water & Sewer Departments and to authorize the withdrawal of \$10,500 from the Federal Revenue Sharing Fund, and \$10,500 from the Water & Sewer Departments Capital Reserve Funds. (Article approved by Budget Committee).

Article 21. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to be used for the purchase of Christmas decorations and advertising in conjunction with the Gorham Resort Bureau. (Article approved by Budget Committee).

Article 22. To see if the Town will vote to approve the implementation of a Corrosion Control Chemical additive program for one of the water system's four sources, #2 Well, in accordance with the Federal Safe Drinking Water Act and directives of the State of New Hampshire Water Supply and Pollution Control Commission, said funds to be raised for this purpose shall be by transfer from the Water Capital Reserve Fund.

Article 23. To see if the Town will vote to have the Appraisal Division of the Department of Revenue Administration conduct a complete revaluation starting in 1988 or thereafter. To establish a Capital Reserve Fund for the purpose of conducting such revaluation and to appoint the Selectmen as agents to administer the fund (estimated cost of revaluation is \$50,000 to \$60,000).

Article 24. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in the Capital Reserve Fund for revaluation of the Town by the Appraisal Division of the Department of Revenue Administration. (Article approved by Budget Committee).

Article 25. To see if the Town will vote to create the position of full time Fire Chief/Building Inspector to oversee and administer the operations of the Gorham Fire Department. (Article was recommended by the Fire Department Study Committee, a detailed report by this Committee is contained within the Town Report).

Article 26. To see if the Town will vote to petition the New Hampshire Legislature to transfer the powers, duties and responsibilities of the Gorham Water and Sewer Commission to the Office of Select men and Town manager.

Article 27. To see if the Town will vote to instruct the Town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Gorham, N.H. unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the Annual Town Meeting by written ballot. (Article by Petition).

Article 28. To see if the Town will vote to authorize the Selectmen to negotiate with the State of New Hampshire, or another public organization for the purpose of disposing of that town owned property known as Mascot Pond/Lead Mine. (Article recommended by Town of Gorham Conservation Commission).

Article 29. To see whether the Town of Gorham should authorize the expenditure of \$15,000 in public funds, for purposes of a feasibility study, in order to investigate and consider the possibility of converting the Gorham Power Plant, owned by Public Service Company of New Hampshire, into a municipally owned and controlled power company. (Article by petition). (Not recommended by Budget Committee).

Article 30. To see if the Town will vote to authorize and instruct the Selectmen to hold its Annual Town Meeting in conjunction with the annual School District Meeting on the second Tuesday in March each year. The first joint meeting would take place in March of 1988. (Article by petition).

Article 31. To see if the Town will vote to authorize the Selectmen to hire money on temporary notes in anticipation of taxes covering the period from March 10, 1987 to the Annual Town Meeting in March of 1988.

Article 32. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend money from the State, Federal or other governmental unit or private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-B.

Article 33. To see if the Town will vote to authorize the Selectmen to sell any property not used for municipal purposes, acquired by the Town through Tax Collector's deed or to which the Town holds title. Sale would be by sealed bid or public auction and duly advertised.

Article 34. To see if the Town will vote to authorize the prepayment of resident taxes and to authorize the Tax Collector to accept prepayment as provided in RSA 80:1-A.

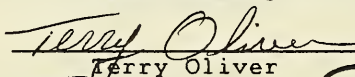

Article 35. To see if the Town will vote to authorize the Collector of Taxes to accept payments in prepayment of property taxes after April 1st in sums of no less than Ten Dollars (\$10.00) or any sum divisible by Ten Dollars (\$10.00) as provided in RSA 80:52-A.

Article 36. To hear reports of Town officers, agents, committees heretofore chosen and to pass any votes related thereto.

Article 37. To transact any other business that may legally come before this meeting.

Given under our hands and seals this 9th day of February, 1987.

Selectmen of Gorham
 Date September 3, 1986

REPORTS REQUIRED AND PENALTY. RSA 41:15, as amended provides for certification of valuations, appropriations, estimated revenues and such other information as the Dept. of Revenue Administration may require upon blanks prescribed for that purpose. If the certifications are not made to the Dept. of Revenue Administration on or before October first, unless the time is extended by the Dept. of Revenue Administration, the town for which the selectmen act shall pay to the state for its use the sum of five dollars for each day's delay in making certification. (RSA 41:15-a)

PROPERTY TAX WARRANT. RSA 76:11 as amended provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the Dept. of Revenue Administration. The collector shall within thirty days after receipt of the warrant from the selectmen send out the tax bills, unless for good cause the time is extended by the Dept. of Revenue Administration.

Return the completed Summary Inventory form, together with the Statement of Appropriations and Taxes Assessed, to the Dept. of Revenue Administration, P.O. Box 457, Concord, N.H. 03301. Do not compute taxes until approval of the rate is received.

PENALTY: FAILURE TO FILE BY OCTOBER 1, 1986 MAY RESULT IN \$5.00 PER DAY PENALTY FOR EACH DAY'S DELAY. (RSA 41:15-a)

NOTE: DO NOT FAIL TO COMPLETE INFORMATION ON PAGE 4 OF THIS REPORT.

Board of Selectmen
Town of Gorham

October 24, 1986

Your summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1986 taxes on the basis of the following figures.

Net Assessed Valuation	\$ 29,472,385.
<u>Taxes Committed to Collector:</u>	
Town Property Taxes Assessed	\$ 2,438,840.
Precinct Taxes Assessed	0.
Total Gross Property Taxes	\$ 2,438,840.
Less: Est. War Service Tax Credits	21,450.
Net Property Tax Commitment*	\$ 2,417,390.
Tax Rate - Town	\$ 82.75
- Precinct	\$ 0.

*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation.

The net amounts approved for school, county and precincts are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$ 1,875,213.
County Tax Assessment	\$ 213,171.
Net Precinct Appropriation (1)	\$ 0.

In arriving at the above approved rate the Overlay has been set in the amount of \$ 25,548.

Very truly yours,

Everett H. Taylor

EVT:cq

Enclosure

(1) In case of more than one precinct, see enclosure.

NOTE: See attached letter for details of appeal procedure.

CERTIFICATION

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

DATE: February 9 1987

Selectmen Paul F. Dheer
Terry Oliver
Francis E. Frati

GENERAL INSTRUCTIONS

Three copies of this report are sent to each town. Selectmen, treasurer and tax collector are expected to cooperate in making out this report. When made out, one copy should be returned to the Department of Revenue Administration and one copy should be placed on file among the town records. The third copy is for use in preparing the annual printed report for the voters.

WHEN TO FILE: (R.S.A. 21-J)

1. For towns reporting on a calendar year basis, this report must be filed on or before March 1st, 1987.
2. For towns reporting on an optional fiscal year basis (fiscal year ending June 30, 1987), this report must be filed on or before September 1st, 1987.

WHERE TO FILE

Department of Revenue Administration
State of New Hampshire
Municipal Services Division
61 S. Spring Street
P.O. Box 457
Concord, NH 03301

STATE USE ONLY

1. Total, this town's taxes collected and remitted (part A, page 1)	\$
2. Total tax rate for county government and all cities, towns, schools and precincts in this county, including this town	
3. This town's tax rate	
4. Divide line 3 into line 2	
5. Multiply line 4 by line 1

GORHAM TRUST FUND

The Gorham Trust Funds are made up of 317 accounts in Common Trust #1 for perpetual care to the Evans, Lary and Mt. Hayes Cemeteries; 49 accounts in Common Trust #2 for the Catholic Cemetery; 6 accounts in Common Trust #3 to provide memorial flowers for seven lots; and 5 accounts in Common Trust #4 for repairs at the Town Cemeteries.

The Miles Mullen Fund is a separate trust fund for care of the Catholic Cemetery; the Fanny Philbrook Fund is to provide income for the school library.

Capital Reserve Accounts for a Fire Truck, Water Department, Sewer Department, School Bus Reserve, School Building Reserve are maintained at Home Bank and Saver's Bank. Although the Ambulance Reserve was closed in 1985, there remains a small balance.

All Trusts and Reserves are itemized within this report. It is noteworthy to mention that these accounts have generated considerably less monies during 1986 as the interest rates have continued to drop.

Detailed reports listing the individual accounts have been filed with the Attorney General, and with the Department of Revenue Administration.

This has, in all, been an uneventful year. We do, however, wish to thank the various bank personnel as well as the town office personnel for the assistance given to us during the past months.

Respectfully submitted:

Chester Lapete

REPORT OF THE WATER AND SEWER COMMISSION

1986 continued to be a busy year for the Water and Sewer Department with several large leaks (including Gorham Hill and Cascade Hill) repaired on the water system and approximately ten new commercial and residential services installed. All reservoirs were cleaned and the water system was completely flushed out twice. Water quality tests have continued to be monitored and there have been no major bacteriological contamination problems identified.

A new reservoir to replace the current deteriorating one on Cascade Hill was designed and advertised for bids. All bids were rejected, however, when bids exceeded estimates by nearly 100%. This project will be considered for construction in 1987, and when completed will not only replace, but also will increase the water storage capacity on Cascade Hill.

The new Sugar Hill Reservoir, from 1985 construction, functioned well during its first year with no major winter operational problems.

Several major repairs were made at the Wastewater Treatment Plant, including rebuilding of two large aeration blowers and repainting of both clarifiers, with one clarifier also undergoing major resealing of its concrete. The remaining clarifier's concrete will be resealed in 1987.

The coming year will definitely be a busy one with all the planned construction, repairs, new services, and system cleaning programs.

As Gorham's water system is rated in the "top 40" as to corrosive water conditions in the State, the Department is also planning to implement a corrosion control program on one of our sources, namely #2 Well. This will reduce the leaching of metals from the piping system into the water, providing a safer product to the residents while minimizing deterioration of not only the Department's pipes, but also those in dwellings and businesses.

This year in Water, Deep Well #1 supplied 25,943,000 gallons, Deep Well #2 supplied 90,503,000 gallons and the Ice Gulch, Perkins Brook impounds supplied 180,750,000 gallons for a total of 297,196,000 gallons of water supplied to the Town of Gorham during the year which constitutes an average use of 814,236 gallons per day (this does not include Gorham Hill Spring).

The Department's year ended with our Superintendent, John MacEachen, leaving to accept employment in another system. John's services during his tenure, initially as Chief Operator at the Treatment Plant and subsequently as Superintendent, were always well performed and he will be missed by all. A successor to John was selected in January, with David Bernier starting his duties on 19 January 1987, having promoted from within the Department.

Board of Selectmen
Town of Gorham
Gorham, New Hampshire

We have examined the general purpose financial statements, as listed in the table of contents, of the Town of Gorham, New Hampshire as at and for the year ended December 31, 1985. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

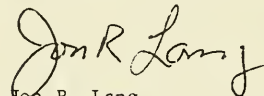

The Town has not maintained a complete record of its general fixed assets or Water or Sewer Fund fixed assets as required by generally accepted accounting principles. Accordingly, a statement of general fixed assets and Sanitary Sewer Fund fixed assets are not included in the financial statements. The amounts that should be recorded as Sanitary Sewer Fund fixed assets and general fixed assets is not known.

As explained in Note 2, the Water and Sewer Funds are reported as Special Revenue Funds whereas generally accepted accounting principles require that they be reported as Enterprise Funds.

In our opinion, except that the omission described in the second paragraph results in a incomplete presentation, and except as noted in the third paragraph, the combined financial statements referred to above present fairly the financial position of the Town of Gorham, New Hampshire at December 31, 1985 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Gorham, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Respectfully submitted,

GORHAM CELEBRATE'S 150th BIRTHDAY 1836 - 1986

TOWN MANAGER'S 1986 ANNUAL REPORT

As you are aware 1986 was a very special year for the Town of Gorham, we celebrated our 150th anniversary as an incorporated Town. Many events were held this past year in conjunction with the Town's Sesquicentennial celebration.

In February the Town played host to the Easter Seal Snowmobile Ride-Inn and Winterfest complete with bonfire, parades and fireworks. In June the State of New Hampshire American Legion held it's State Convention in Gorham and during the week of July 4th the Town celebrated it's 150th birthday in a gala manner. December saw the Gorham merchants come together and sponsor a very successful Christmas celebration and promotion. These are but a few of the highlights from Gorham's very active social calendar in 1986.

Financial: Gorham continued to make progress in expanding it's economic and financial base during 1986. Building permits/business and housing start-ups increased by 100% over 1985. This increase was driven by interest and activity at the three new subdivision in town, Stony Brook, Old Glen Road, and Gorham Heights. We would expect to see continued development in these areas for the next several years.

While property taxes in general are too high, 1986 marked the 7th straight year that we were able to keep the municipal portion of the tax rate at or below it's 1979 level of 23.70. Furthermore, the Gorham Board of Selectmen have pledged and projected that the municipal portion of the tax rate will not increase in 1987 over 1986. However we will need your help and cooperation in order to be effective in controlling the Town's total tax rate.

Two projects on which we have spent a great deal of time and energy in 1986 are the Gorham Rail Park and the redevelopment of Exchange Street. These projects hold great promise for 1987, to bring continued economic activity and prosperity to the area. It is our hope and expectation that in 1987 we will see the first lot sold and building constructed at the Gorham Rail Park. It is also our hope that redevelopment of Exchange Street will take place in 1987.

In 1986 a feasibility study was completed and a report prepared which presented a realistic agenda for the economic and physical re-birth of Exchange Street. The bottom line of this report was that "based on extensive analysis of economic, architectural, and other data, our conclusion is that Exchange Street can generate the necessary investments to support re-development. Based on our preception of community attitudes, support of the project, and general pro-Gorham enthusiasm, our conclusion is that Exchange Street will turn around and once again become a focal point of Gorham's commercial and community activities". This report was prepared by Rural Enterprise Development Associates and a copy is available at the Town Library upon request.

The ultimate success of all the Town's economic efforts does and will continue to involve large expenditures of public and private resources, however the benefits in terms of income generation, expanded employment opportunities, and additions to the tax base are substantial and well worth the effort.

Administrative: In 1986 we also saw the creation of several Boards and Committees. The 1986 Town Meeting authorized the creation of a Fire Department Study Committee. This Committee was charged with the duty and responsibility "to study the need and feasibility for the creation and appointment of a full-time paid Fire Chief to oversee the operations of the Gorham Fire Department.

A Committee of 11 was appointed by the Town Moderator and Mr. Larry Nault was elected Chairman. The Committee held regular monthly meetings May- November and worked long and hard investigating the need for creating such a position. This Committee did find "that there is a need for the position of a full-time Fire Chief and it is the Committee's recommendation that it be created". It was further recommended that the position be structured in such a manner as to include as many related jobs as possible i.e. Fire Chief, Building Inspector, Health Officer, Civil Defense Director, etc.

The Selectmen are in support of the concept, however at this point in time, has voted not to include the \$25,000 within their 1987 Town Budget as insufficient funds are available to properly fund such a position and still keep the Town portion of the tax rate at or below last year's level.

In November the Selectmen took action to reactivate the Gorham Planning Board and Conservation Commission. It is expected that these Boards will play an important role in dealing with the many developmental issues which will face the Town in the future.

The Town worked closely with various developers to insure that all new roads will meet minimum design standards and be in excellent condition prior to Town acceptance.

In 1986 we completed the codification process of all town ordinances and legislation. At long last all town ordinances can be located in a single reference source. It is our hope that this code will contribute significantly to the effective administration of local government. Copies are available at the town office or Library for inspection and review.

Reached settlement agreements with Public Service Company of N.H. and Portland Pipeline over property taxes which have been in dispute for several years.

Held discussions with New England Telephone Company re. improved phone service for Gorham. Worked with Warner Cable to keep Channel 10 on the air.

Disposed of surplus town property located at 8 River Street, Cascade Flats, also held joint auction with School and Rotary which raised \$3,855.

Started work on acquisition of land located at corner of Bellevue and Main Street. Land will be used as a small park in the future.

Town undertook a study of Androsocggin Street and the effects of one way traffic on the area. No changes were made to the ordinance.

Participated in and helped organize North Country legislator's tour which was a great success in making many legislators aware that there is life above the Notch.

Reviewed and revised cemetery rules and regulations.

A new Community Development Fact Sheet was prepared.

Made agreement with Forest Service re. police protection with the National Forest.

Presented Boston Post Cane to Winifred Morse.

Supported and pressed for improvements and reconstruction of Route #115 and Route #16 Conway by-pass.

Negotiated rental agreement with District Court for space within the Gorham Town Hall.

Were effective and successful in bringing Concord Trailways bus service back to Town.

Negotiated agreement with A.M.C., Forest Service, and others to keep over 335 acres of prime developmental land in private ownership and out of the most recent National Forest expansion.

Worked jointly with the City of Berlin and James River in order to resolve and respond to several matters of mutual interest: development of an emergency management plan and dealing with the areas solid waste problems are but two examples of this cooperative efforts.

Construction projects: Over this past year the Town Highway Department has undertaken and completed a number of very beneficial projects: total reconstruction of Wilson St., Potter Street and Evans Street (s). Paved sections of Bellevue, Union, School, Malloy and Pine Streets, repaved Lancaster Road sidewalk and drainage ditch. Constructed a storage building on side of salt shed. Rebuilt the swinging bridge, constructed new ballfield at the Ed Fenn School and worked on new playground project. Continued efforts to fill and level land at rear of Libby Pool. Installed new park and playground equipment on Common.

Several dredging projects were completed in 1986. Those areas were: Messenger Brook from Church Street to Union Street, under and on each side of Moose River Bridge as well as the lower section of the Peabody River from the golf course to the Androscoggin River. These projects are vital links in the Town's effort to reduce and minimize flooding damage during high water periods.

Items purchased: As per authorization at the 1986 Town Meeting the Town purchased several needed pieces of equipment, those being a Police Cruiser, new sidewalk tractor, additional computer equipment, improvements to tennis courts on Common, contributed another \$12,500 to the Fire Truck Capitol Reserve account.

1986 also had it's difficult moments. During the year we witnessed the passing of several very dedicated public servants: Oscar Dupont served the Town as Selectman, David T. Penney as Director of Civil Defense, and Doris Farrer as Librarian and Library Trustee. All of these people have gave unselfishly of their time and energy to make our little village a better place. Their contributions will not soon be forgotten.

Moe Boisselle, Gorham Ambulance Director, resigned effective December 31, 1986. His resignation was accepted with a deep sense of regret as he has done an outstanding job in administering the affairs of the Ambulance Service for many years.

In the course of this report I have attempted to highlight some of the major areas of concern and accomplishment which have taken place over this past year. As you can see 1986 has been a very busy, productive and prosperous year for the Town.

It is my hope and expectation that 1987 will be even better. Thank you for your support, understanding and cooperation over this past year.

Respectfully submitted,

Daniel C. Ayer, Town Manager

GORHAM POLICE DEPARTMENT REPORT FOR 1986

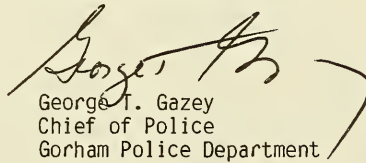

1986 did not bring about any drastic changes in the statistical data for the Police Department. As indicated on the data sheet, the overall increase of incidents within the Town increased by less than one percent. As in the past; however, crimes against persons has increased by an average of twenty-two percent, while crimes against property has decreased by twelve percent. These figures have brought about a requirement to assign one officer to handle the major investigations. These figures, along with recent Supreme Court decisions, has had a direct effect on the functioning of the department. Some of these decisions are; Garcia - relates to the limiting of compensatory time off for extra hours worked, whereby overtime monies must be paid instead. Weldy - relates to the handling of Juveniles and minors for possession and consumption of alcohol. The Courts have mandated that all violators who fit this category, shall be arrested. We are no longer able to handle these matters as a small community would. The mandating of arrests for these offenses has caused a greater burden on the Community as well as the police officer.

The most dramatic increase in our statistics this year has been in the area of summonses issued. The issuance of summonses does not necessarily mean they were issued for motor vehicle violations. The law permits the issuance of summonses for minor infractions in lieu of arrest. In many instances the summons was found to be more appropriate for the incident than the actual taking of a person into custody.

After several years of work, the Town of Gorham, has had its ordinances codified. This provides precise information to the residents as well as the officers of this department regarding the availability and exact content of Town ordinances.

As in the past years this department shall strive to provide the best possible service to the Community for the year of 1987.

Respectfully Submitted,

George T. Gazey
Chief of Police
Gorham Police Department

REPORT OF DISTRICT NURSE

Jan. 1, 1986 - Dec. 31, 1986

Increased demands on agency personnel are continuing due to mandated forms, reports and extended use of our services.

The needs of our services are reflected in the total number of skilled nursing visits made in 1986. Payments for visits were as follows:

Medicare	467
Medicaid	65
Private Ins.	10
V.A.	372
Private Pay.	173
No Payment	236
	<u>1,323</u> Total visits

Physical therapy services were also well utilized. A total of 50 visits were seen for assessment, instruction and follow-up.

The Homemaker/Shopping Assistance Program has been in existence since 1981. This past year, a total of 1,577 visits were made to 49 patients including 4 to Shelburne and Randolph.

The program is served by two certified nurse's aides under R.N. supervision and fees are based on a sliding scale. Many thanks to all those who support this program making it possible for many to remain independent at home.

Coordinated and/or manned clinics are ongoing. These include:

- Preschool Vision & Hearing Screening
- Preschool Dental Clinics
- Coos County Family Health Services
- N.H. Pediatric-Cardiac Clinics
- N.H. Multihandicapped Children's Clinics

The Gorham DNA is also a resource and follow-up agency. We work in cooperation with other health and social facilities in order to achieve and maintain all that the patient needs within the confines of his home.

Respectfully submitted,

Denise J. Demers, R.N., Director

Claudette Couture, R.N.
Supvr. HH Service

REPORT OF GORHAM CONSERVATION COMMISSION

At the October 20th meeting of the Gorham Board of Selectmen it was voted to reactivate the Town Conservation Commission. A notice was published advising any persons interested in serving on this commission to so notify the Town Manager. The following people were selected and sworn in: Gary Carr, Warren Tucker, Michael Pelchat, Dominic Cellupica and Paul Doherty.

The first meeting of the Commission was held on December 17, 1986 at which time members agreed to serve as follows: Mr. Cellupica, 1 year; Mr. Carr, 2 years; Mr. Pelchat, 2 years; Mr. Tucker, 3 years; and Mr. Doherty, 3 years. Elected as Chairman, Mr. Doherty and Mr. Pelchat as Secretary.

A Town Conservation Commission is authorized by Chapter 36-A Laws of the State of New Hampshire, for the promotion and development of the natural resources, and for the protection of watershed resources of said town. Said Commission may receive gifts of money and property, both real and personal, in the name of said town. Towns may also appropriate funds as deemed necessary and placed in a conservation fund to be used by the Commission to acquire lands it feels are necessary and of value to said town.

Several years ago the Gorham Conservation Commission received a grant of money from the Ford Foundation. This grant was used to conduct a boundary line survey of the so called Ice Gulch Watershed, a tract of wild land containing some 3,900 acres. All property lines were blazed and painted. Included in this work was a report relative to the standing timber on the property.

The reactivated Town Conservation Commission has established three major goals for the upcoming year, they are as follows according to priority:

1. A recommendation to the upcoming Town Meeting relative to the 10 acre Mascot Lead Mine property owned by the Town since the 1930's. Said recommendation will focus on how the Conservation Commission feels this property can best serve the Town's and any public needs.
2. To draw up a list of any and all property or areas within the Township of Gorham, now not owned by the Town, that have value as wildlands, recreational lands, trail easements or right-of-ways.
3. To complete a study of how the Ice Gulch Watershed property should be managed relative to timber harvest, recreational and other possible use. This study with a recommendation to be delivered to the Board of Selectmen within one year or less.

At its February 3, 1987 meeting the Gorham Conservation Commission voted to recommend to the Annual Town Meeting that Article 28 be adopted, giving the Selectmen authorization to negotiate with the State of New Hampshire and any public organization interested in acquisition of the Mascot Lead Mine property. This action will guarantee that the property remain in public ownership and be available for public use and enjoyment.

Meetings of the Conservation Commission will be held monthly, or upon call of the Chairman following due public notice.

Paul T. Doherty, Chairman

GORHAM AMBULANCE REPORT

GORHAM AMBULANCE REPORT

I would like to acknowledge this my last ambulance report to those who made my job easier and very rewarding.

First and foremost, Mr. Alton Joudrey, for the encouragement and knowledge that you instilled in me to help others who were in need of medical help or assistance. The word "Compassion" will always stay with me.

Marj Jodrie and Joyce Snitko, the heart of the finance department of this ambulance service, thank you for doing a terrific job.

Mr. Victor Laforce, I would like to thank you very much for taking care of and putting up with my crew in keeping the ambulance running in tip top condition.

Anthony Dooan, Jean Lary, George Webb, Jack Bernier and Marj Jodrie to those dispatchers of the early days, I thank you for being patient with me when things didn't go as smoothly as we would have liked.

To my crew, all of you have been an inspiration to me in some way or another to do the best I could and to get the best work out of all of you. We have had our ups and downs but I wouldn't trade these thirteen years for any other ambulance service around.

To the people of Gorham, Randolph, and Shelburne, thank you for supporting me in my efforts to operate this ambulance. Please give your support to the new Ambulance Director, Liza Burrill. She has been with the service for approximately thirteen year off and on, raising a family in between ambulance calls. She is an LPN, EMT, AFA Instructor, and CPR Instructor.

One way to show your support is to join the organization and find out what it is all about. We need your help.

The calls for this year were as follows:

Gorham	163
Randolph	21
Shelburne	16
Unincorporated places	38
Transfers	<u>32</u>
Total Calls	270

Respectfully Submitted,

Maurice N. Boisselle
Ambulance Director

Grass Fire -----	7	Pumping water for Water Dept.--	2
Smoke Scare -----	4	Training Hours -----	251

The Fire Department would like to take this time to thank the community for their support this past year, especially during our fund raising projects (Firehouse Breakfast, Ladies Bean Supper, and the Fourth of July-cook trailer). From our fund raising projects, has enabled us to donate to; Scholarship Fund, Gorham Youth Hockey, Fourth of July Committee, Heart Fund, and Cancer Fund. We have also restored some of the old equipment, and this year we restored the Hand Pumper. Both Hand Pumper and the 1916 Federal are on display at all times at the fire station.

Our department has two firemen who are State Certified Instructors and six firemen who are State Certified Fire Fighters, (120 hours of schooling). Assistant Chief, Raymond Chandler recently was honored in Concord by the N. H. State Fire Standards & Training Commission for "Outstanding Instructor" and the award was given to him by Governor John Sununu. We are all pleased of Ray Chandler's achievement and proud to have him as a fireman of the Gorham Fire Department.

We must not forget the Ladies Auxiliary, which we feel is the backbone of our department. No matter what the circumstance involved, they are there and we can count on them. They are very active with the community and we are proud to have them in our department. Thank you Ladies for being there.

Chief, Arthur Tanguay
Chief, Arthur Tanguay

1st Asst. Chief, Roger Cloutier
1st. Asst. Chief, Roger Cloutier

2nd Asst. Chief, Raymond R. Chandler
2nd Asst. Chief, Raymond Chandler

2nd. Lieutenant, Ronald Smith

REPORT OF FIRE DEPARTMENT STUDY COMMITTEE

The 1986 Gorham Town Meeting charged this Committee with the duty and responsibility "to study the need and feasibility for the creation and appointment of a full-time Fire Chief to oversee the operation of the Gorham Fire Department".

The following were appointed to serve as members of this Committee: John Croteau, Philip Ross, Jr., Alvin Yeaton, Victor Laforce, Reuell A. Leavitt, Laurent Nault, Pat LaPointe, Pat Marcou, Art Tanguay, Terry Oliver, and Dan Ayer.

The organizational meeting was held on May 21st at which time Mr. Larry Nault was elected Chairman and Dan Ayer as Clerk. The Committee held regular monthly meetings in June and July, August, September, October, and November to investigate the need for creating such a position.

Fernand Villeneuve, Building Inspector for the City of Berlin, spoke to the Committee about his duties and responsibilities in dealing with enforcement and inspection functions of Berlin's building code, his close working relationship with the Fire Department and how the two departments overlap in dealing with the Health Safety Code and Building Code.

Mr. Villeneuve stated that:

- a. Gorham had a real need for this type of position due to growth in new construction and the large number of public buildings which we have in town.
- b. That in his opinion the positions of Fire Chief and Building Inspector could be combined with no problem.
- c. He felt that a reasonable fee schedule could be devised which would make the position self-sufficient.

In July the Committee met with Paul Fortier, Assistant Fire Chief, for the City of Berlin. Mr. Fortier's primary functions within the Berlin Fire Department are in the areas of fire prevention and training.

He brought out the following points:

1. The positions of the Fire Chief and Building Inspector could and should be combined into one position.
2. The benefits of a full-time Chief would be in better code enforcement, availability to the public, ability to handle problems in a timely manner, continuity with the work program of the department, and more professionalization of the department.
3. Approximate salary for the position would be \$25,000 in order to get a person with proper qualifications.

4. Qualifications for position should be: certified fire fighter, command experience at fires, five years prior experience, ability to get along with people, training experience, knowledge of the life safety and BOCA codes.

In September, the Committee met with Barry Bush and Peter Carver of the New Hampshire Fire Standards and Training Council. Mr. Bush and Mr. Carver gave an overview on how other towns have gone about answering the questions of "Do we need a full-time Fire Chief?" He gave many examples of towns which have gone through the process or which got their start in this manner: North Conway, Belmont, Gilford, North Hampton, Rye, Littleton and others were used as examples. He felt the need for a full-time Fire Chief is one of the direct costs associated with growth of a town. The full-time Fire Chief gives you a better handle on leadership, fire prevention, training and interaction with other town boards and officials, can take care of the day to day problems which so often cause major problems down the road when left unattended. He indicated that the pay range would have to be \$20,000 to \$28,000 in order to get a qualified applicant. It was also their feeling that it makes good sense to have the Fire Chief and Building Inspector within the same department as much of what they do covers the same subject matter.

The October meeting of the Committee was held at the Gorham Fire Station with members of the Gorham and Cascade Departments present. The purpose of this meeting was to get input from the firemen on the concept of a full-time Chief for the Town of Gorham. The men of the Department expressed very mixed feeling as to need, cost and feasibility of such a position. It was the general feeling that something must be done and that this was an alternative worth further exploration, however the men were very concerned over the direct costs associated and had a general feeling of "if it ain't broke, don't fix it".

At it's November meeting this Committee voted that "there is a need for the position of full-time Fire Chief and it is the Committee's recommendation that it be created. This motion was voted in the affirmative 5 yes, 1 no. It was further agreed by all members of the Committee that this position should be structured in such a manner as to include as many different but related jobs as possible, i.e. Fire Chief, Building Inspector, Ambulance Director, Health Officer, Civil Defense Director, etc.

The Committee estimated that the first year cost to the Town would be approximately \$25,000, \$35,000 in year two, and \$40,000 in the third year. The Committee also discussed and agreed that the position could be partially funded through the use of fees from building permits and monies not expended for part-time personnel.

The Gorham Board of Selectmen at their regular meeting of Monday, December 1, 1986, voted to support the concept of creating a full-time Fire Chief's position. However, at this point in time have voted not to include the \$25,000 within their 1987 Town Budget in that insufficient funds are available to properly fund such a position and still keep the Town portion of the tax rate at or below last year's level.

CONCLUSION

The Fire Department Study Committee at a meeting held on Wednesday, January 7, 1987 voted to request the Gorham Board of Selectmen to insert the following article on the 1987 Town Meeting Warrant.

"To see if the Town of Gorham will vote to create the position of a full-time Fire Chief/Building Inspector to oversee the operations of the Gorham Fire Department". Article is recommended by this Committee.

It is the feeling of the entire Committee that the taxpayers and residents of Gorham should have the opportunity to discuss and take action on this very important question.

The Committee urges everyone to attend Town Meeting and express your feelings on this matter.

Laurent Nault, Chairman
Dan Ayer, Clerk
Art Tanguay, Gorham Fire Chief
Pat Marcou, Cascade Fire Chief
Terry Oliver, Selectman

John Croteau, Committee Member
Philip Ross, Jr. Committee Member
Alvin Yeaton, Committee Member
Victor Laforce, Committee Member
Reuell Leavitt, Committee Member
Pat Lapointe, Committee Member

REPORT OF GORHAM RECREATION & PARKS DEPARTMENT

I would like to thank everyone who helped to make 1986 a very successful year for the Recreation and Parks Department. The cooperation and support from the entire Edward Fenn School staff was very much appreciated. Without this combined effort many of the department's programs and activities would be impossible to offer. With everyone's support the department's goal of offering new programs was met in 1986.

One very successful new program was Adult Coed Volleyball. From this program a group of people represented Gorham in the First Annual North Country Recreation Departments Volleyball Tournament and placed third. Coed T-Ball was also added to the list of programs. This program offered baseball/softball instruction to youngsters aged 6 - 8. A coed instructional soccer program was added and offered to youngsters in grades two and three. Our youth baseball program became registered with the New Hampshire Bambino Division which is an affiliate of Babe Ruth Baseball. Our league All-Star team competed in the State Tournament and did very well. Also added was a softball program offered to 13 - 15 year old girls in which they competed against area North Country teams. A very fine Senior Babe Ruth Baseball Team was added in 1986. This program is offered to boys aged 16 - 18 and provides excellent competition against teams from all over the State. The final addition was a very well received ice skating clinic offered to boys and girls aged 5 - 12. These programs greatly expanded the department's program schedule and it is my goal to continue program expansion.

The following is a list of the programs offered in addition to the new programs of 1986 mentioned above: Little League Basketball (Boys and Girls Grade 3-6), Harry Corrigan Basketball Tournament (Boys and Girls Grade 5-6), "Kicks 4 Kids Aerobics" (Boys and Girls Age 5-12), Coca Cola/Gorham Girls Basketball Camp, Moxie Alley/Gorham Boys Basketball Camp, Little League Girls Softball (Age 9-12), Bambino Baseball (Age 9-12), Babe Ruth Baseball (Age 13-15), Summer Playground (Age 5-13), Libby Pool Operation, Youth Swim Lessons, Advanced Lifesaving Course, Fishing Derby, 4th of July Adult Tennis Tournament, Special Olympics, Little League Soccer (Coed Grades 4-6), Field Trips to Local Attractions (Coed Age 5-13), Senior Meals Transportation, Local Shopping Trips for Seniors.

I ask for your continued support in improving existing programs and seeking new recreational opportunities for our community to enjoy.

Sincerely,

Vint M Choiniere

Vint M. Choiniere
Recreation and Parks Director

REPORT OF TOURIST INFORMATION BOOTH

We hereby submit our report of the Gorham Information Booth for the 1986 operating season. The Information Booth which is financed by the Town of Gorham, N.H. is located on Memorial Park grounds on Main Street.

We opened the season on May 24, 1986 and closed on October 15, 1986. Booth hours were 9:30 A.M. to 5 :30 P.M.

There was a decrease of 315 cars and 356 people. The comparison figures for the business in 1985 and 1986 are given below:

<u>Cars:</u>	<u>United States</u>	<u>Canada</u>	<u>Foreign</u>	<u>Total</u>
1985	4379	860	106	5345
1986	4088	814	128	5030
	-291	-46	+22	-315

<u>People</u>				
1985	10,789	2,693	252	13,734
1986	10,593	2,509	276	13,378
	- 196	- 184	+24	- 356

All fifty states and the District of Columbia, ten Canadian provinces, and twenty six foreign countries were represented as follows:

<u>States</u>	<u>Cars</u>	<u>People</u>	<u>States</u>	<u>Cars</u>	<u>People</u>
